

Dementia Awareness

Who should attend this one day course

Managers and front line staff working with vulnerable adults experiencing dementia in any care or support setting

Introducing the Trainer

Faiers Training works exclusively with people who have an excellent reputation and proven track record in their field. The course tutor is an independent psychiatric (and general) nurse. He divides his working time between providing an in-house mental health service to the NHS patients of a large GP surgery and providing training and consultancy services to the care, support and health sectors.

Course Contents

Dementia: types and features

Communication skills: special considerations in relating to those with dementia

Warning signs of dementia: what to look out for

Accessing help: GPs, mental health services

Risk assessment: fire, self-care, financial and legal issues

Legislation and government guidance: Mental Health Act, Mental Capacity Act, Powers of Attorney, Independence, Choice and Risk, NICE Dementia Guidelines

Maintaining the resident's self worth: reminiscence and other helping strategies
